

## St. Aloysius Preschool Campus Permission Slip

I give permission for my child \_\_\_\_\_ to go on walking field trips to areas outside of the preschool classroom, but still in the St. Aloysius school and/or on the church campus. These walking field trips may include, but are not limited to the following:

- Daily walks to the St. Aloysius playground and/or Courtyard
- Walking to the St. Aloysius School Library, Music room, Gym, Dickman Center or Spanish room.
- Nature walks outside on the St. Aloysius campus
- Visits from the Fire Department in the St. Aloysius parking lot
- Walking within the school for trick or treating or Christmas Caroling
- Walking to the St. Aloysius green space for special events like Easter Egg Hunts or our Preschool Derby or outdoor play
- Walking to designated safe locations on campus for fire drills, tornado drills and other emergency drills.
- Walking and attending Mass in both our Church and Chapel.

Preschool teachers will maintain classroom teacher to child ratios during all out-of-classroom experiences and will carry attendance and emergency forms.

In the event of a planned off campus activity, a designated permission slip will be sent home in advance.
