

CURRENT FAMILY PRE-REGISTRATION 2019-2020 GRADES K-7

In an effort to plan responsibility for both budget and new families, we are asking that each family complete this intent form. Please fill out the following information for your child/children who will be enrolled at St. Aloysius Catholic School for the 2019-2020 school year. If your child/children will not be returning to St. Aloysius, please mark the appropriate space.

If you have a child/children currently enrolled at St. Aloysius and will have a **kindergarten** student in 2019-2020, please **list them below** as well. Remember, the age cut off has been moved. Incoming kindergarten students must be 5 years old by August 1, 2019. You will need to fill out the kindergarten application which will be online January 1, 2019 and attend the kindergarten screening. Screenings will be held in late January. More information will be forthcoming about screenings.

There is a non-refundable \$50.00 fee per child due in addition to this form. This fee will be deducted from the book bill in August. If this fee causes an undue hardship, please contact the parish office to make arrangements for later payment, but send the form to the school office by the deadline. All fees should be submitted via **Faith Direct**. Under the Events tab, you will see Pre-Registration Fee for Current Families listed just like a field trip. Incoming kindergarten students should be included in this fee. All forms are due back in the school office by **Wednesday, December 19** in order for us to know where we have openings for new students and create an accurate budget.

Preschool registration is handled separately from the school and should **not** be included on this form. Applications for preschool will be available online in January as well. Please don't hesitate to contact the school office with any questions.
