

Dear Parents,

Following these directions will allow you to know when your child has taken an AR test and their score! Read below for the details.

Your student uses a software program called Renaissance Place at school. This program has a special feature called Renaissance Home Connect, which you and your student can access outside of school from any computer with an Internet connection. Renaissance Home Connect is fun and easy to use. It allows the teacher, you and your student to share information about their progress in Accelerated Reader (AR).

You can view Renaissance Home Connect from any computer with an Internet connection using these browsers:

- Internet Explorer® 6.02 or later
- Firefox® 2.x or later
- Safari™ 2.0.3 or later
