

St. Aloysius Preschool

Thank you for giving St. Aloysius the chance to serve your child. We are located in beautiful Pewee Valley just 3 minute from the Gene Snyder. St. Aloysius Preschool offers young children the opportunity to grow mentally, physically and spiritually. Our goal is to help each child develop a positive self-image, improve socialization skills, develop independence to explore their world and to prepare them for the next step in their education. We will provide a quality education based on Catholic value and tradition and nurture the whole child through a safe, creative, and spiritual learning environment.
