**** A "STARS! For Kids" Level 2 Preschool of Excellence!**

Located in beautiful Pewee Valley, just 3 minutes from the Gene Synder, St. Aloysius Preschool offers young children the opportunity to grow mentally, physically and spiritually in a safe, structured environment. Our goal is to help each child develop a positive self-image, improve socialization skills, develop independence to explore their world and to prepare them for the next step in their education. We promote Catholic values daily through Christian songs, Bible stories, art and activities.

Our preschool days will include circle time and orientation, music, movement, theme activities, free play, story time, snack and academic centers focusing on language arts, pre-math skills and science exploration. Weekly lessons in Spanish, Music and Physical Education enrich our PreK class. Each class will participate in seasonal class parties, special events and opportunities of service and charity to others. Each student will be given the opportunity to participate in activities at their own level of development.
