

Tuition Voucher Referral Form

Policy:

New, incoming families often mention that St. Aloysius came highly recommended by friends, neighbors, family members etc. This word of mouth is our best advertising! In an effort to thank current families, a tuition voucher system is continuing for the 2015-2016 school year. In this system, if a current school family recommends a **new** student/family and that new student/family is enrolled at St. Aloysius, the school family would earn a \$500.00 tuition voucher for the following school year.

Details:

1. This system includes applicants for the 2015-2016 school year. Vouchers would be applied in January each year to ensure the new family follows through with registration.
2. This would only apply to new families/students. Siblings of current families would not be eligible.
3. Vouchers would be designated to one current family as indicated by the new family's application/referral form. Even if two or three people recommended St. Aloysius, only one voucher would be given.
4. The new student(s) could be entering any grade, not just kindergarten.
5. There would be a 1:1 relationship—vouchers would be awarded per family. If a new family enrolled four students, only one voucher would be awarded, not four.
6. Current families could earn multiple vouchers if they recruit multiple different families. The maximum vouchers awarded to one family for one year would be 10 (\$5000).
7. The tuition voucher would apply only to St. Aloysius School (not preschool) tuition for grades K-8. If an 8th grade family refers a new family and has no other student in school the following year, no voucher is awarded.
8. Vouchers are awarded as new families enter kindergarten/upper grades. If a family is referred and joins preschool, a voucher could be awarded if that family stays and enrolls in kindergarten.
9. Tuition vouchers will be applied to tuition only, not cafeteria fees, book bills or other school fees.
10. Vouchers are awarded based on current school **immediate** family recommendations (not grandparents, aunts, uncles, etc.) and are non-transferrable.

Tuition Voucher Referral Form

Dear School Families,

We are continuing our "Thank You" voucher program for current school families. Details about this tuition voucher program are attached. Please take a moment to read over the policy and use this form to give us feedback. We hope this system shows how much we value our families and encourages them to spread the good news of a Catholic education at St. Aloysius. If you have any questions or concerns, please feel free to contact me at mhayslip@staloyusipwv.org.

Sincerely,

Maryann Hayslip
Principal

Please print your responses and send them to the school office as soon as possible.
