

**Te Ch Scientific**

**It's a Gift!**

Our Summer Day Camps introduce young children to the mysteries of science through **hands-on interactive make-and-take projects and experiments**. Your child will be receiving a gift that will last a lifetime.

# SUMMER STEM DAY CAMPS

Our camps appeal to children who have a genuine interest in how things work, what things are made of and how science works in the real world. All of our lessons meet or exceed the National Science Standards. The list below are the camps at your school's location. Spots fill quickly. Register today!
