

# The Eagle Network Needs YOU!

We are breathing new life into this important hospitality ministry. We have 25 new school families starting this fall and they will certainly have a few questions! We try to match new and current families based on grade levels of incoming students and/or similar backgrounds. What is expected of you as a sponsor family?

- Make contact with the new family to welcome them
- Meet for a playdate on your own or at one of the school sponsored events over the summer
- Answer questions about uniforms, carpool, PTO, etc.
- Jointly attend beginning meetings/orientations/events as you can
- Check in with the new family as the year progresses

To make this process more efficient and consistent, we are putting together a sponsor family packet/handbook. It will have a check list of FAQs, resources, dates, and more. Just connect the dots with a St. Aloysius smile! There will also be a new set of “perks” for sponsors to entice your participation. Interested? Email Mrs. Hayslip to offer your help...before she emails YOU! Can't handle a whole family right now? We also need volunteers to attend parish events like the Sundae Socials & Block Party to provide a friendly face for new families at the 'New Family' table. All help is appreciated!
